◀ Curriculum

"We offer a range of programs for children aged 2-6, including:

Paly Group (ages 2-3)

Our toddler program is designed to promote social-emotional development, language and communication, and gross motor skills."

Nursery (ages 3-4)

Our curriculum is designed to promote learning through play, with a focus on literacy, numeracy, science, and the arts."

Kindergarten (ages 4-6)

Our pre-kindergarten program prepares children for the transition to kindergarten, with a focus on social-emotional development, language and literacy, and math."

◀ Facilities and Resources

"Our preschool is equipped with art facilities and resources, including:

- Spacious classrooms with natural light and age-appropriate materials
- Outdoor & indoor play areas with safe, age-appropriate equipment
- Music and movement room
- Library and reading nook

Learn, discover and experience the joys of reading.

Our Activities

Interactive games

Enhancing early language and communication skills so that children can have meaningful interactions with those around them. It enables them to communicate their needs better, reducing frustration (and, in turn tantrums or outbursts).

Story time

In children, it enhance imagination by visualising spoken words, improve vocabulary, and more refined communication skills

Sand & Water play

Improve fine motor skills and helps to develop their sense of touch and exploration skills.

Art & craft

A medium for creative expression, fostering imagination and artistic skills.

Music & dance

Field trips

Safety and Security

"The safety and security of our children is our top priority. We have a secure entrance and exit system, CCTV cameras, and a comprehensive emergency response plan in place."
